

FOR IMMEDIATE RELEASE: 06/17/15

## DISYS Solutions Recognized as Cisco Capital Partner of the Year

**Chantilly, VA:** DISYS Solutions Inc. (DSI) was awarded the “Public Sector Cisco Capital Partner of the Year” for 2014 at the Cisco Partner Summit on April 27-30, 2015 in Montreal, Canada.

“We are extremely honored to be recognized in such a prestigious manner,” said Atul Bhatia, DSI President and CEO. “Everyone at DSI has been working very hard and this award is indicative of latent potential for further growth and success.”

The Cisco Partner Summit is an annual event where Cisco announces new technology and ideas, their partner ecosystem strategy, and how their partners can make a mark on the world. This three day event was filled with new partnerships, learning opportunities, and a glimpse into the future of technology. The 2015 theme was “Be Bold,” to break through barriers and blaze trails others only dare to imagine: to seize new opportunities, unleash innovation, and empower customers in new ways.

**About DISYS Solutions Inc. (DSI):** DSI is a Cisco Gold Partner and certified Small, Minority Owned business with locations nationwide. The company is a leading provider of IT solutions for federal agencies, State & Local Government and Education (SLED) entities, and commercial companies. For over 20 years, DSI built a foundation of customer service with a mission to deliver solutions enabling higher productivity, lower cost of ownership, and a maximum return on client investment. DSI’s highly qualified technical staff works tirelessly to attain total customer satisfaction. Learn more at [disyssolutions.com](http://disyssolutions.com).
