## Cisco Awards DISYS Solutions Inc. “Partner of the Year” for Customer Satisfaction

**Ashburn, VA:** DISYS Solutions Inc. (DSI) was awarded "Outstanding Customer Satisfaction Partner of the Year" for the Americas East at the Cisco Partner Summit on November 1-3, 2016 in San Francisco, California.

“We are thrilled to receive this recognition for our commitment to customer service,” said Atul Bhatia, DSI President and CEO. “Being honored for customer satisfaction shows the dedication of our amazing team and sets our company apart from the rest”.

The Cisco Partner Summit is an annual event where Cisco announces new technology and ideas, their partner ecosystem strategy, and how their partners can make a mark on the world. This three day event is filled with new partnerships, learning opportunities, and a glimpse into the future of technology. The 2016 theme is "Full Speed", focusing on the “rapid pace of change; there’s never been a better time to align, connect, and create solutions that deliver and disrupt”.

“The DSI team members train and work very hard to provide excellent customer service on a daily basis,” said Alan Bechara, Sr. VP of Sales and Marketing. “We always put the customer first and this prestigious award demonstrates that we truly value those relationships”.

DSI is Cisco’s number one partner for revenue in the Mid-Atlantic region. We have consistently earned the regional award for “Customer Satisfaction Excellence”, the highest distinction a partner can receive within the Channel Partner Program. Cisco acknowledges certified partners that have the highest customer satisfaction distinction within each geographic region as part of a worldwide assessment process leading up to the Partner Summit.

**About DISYS Solutions Inc. (DSI):** DSI provides complete IT solutions and services that are secure, innovative, energy efficient, and cost effective. Our customers include State & Local Government and Education (SLED) entities, Federal agencies, and commercial companies. We hold nationwide term contracts that are supported by a team of industry professionals and certified engineers. DSI puts the customer first and understands the importance of providing a valuable experience from start to finish. Our knowledge of current and emerging technologies is the foundation for providing solutions and services that increase productivity and create positive workflow for our customers. DSI is headquartered in Ashburn, Virginia, with offices conveniently located in Colorado, Georgia, Maryland, North Carolina, and Texas. We are a Small, Minority-Owned Business that was created in 1991 by the current owners. Learn more at [disyssolutions.com](http://disyssolutions.com).
