

## NASA Selects DISYS Solutions to Support Federal Government on Two SEWP V Awards

**Chantilly, VA:** DISYS Solutions Inc. (DSI), a leading national IT solutions provider, was awarded contracts in two key groups of the National Aeronautics and Space Administration (NASA) Solutions for Enterprise-Wide Procurement V (SEWP) vehicle. NASA selected DSI in both **Group C (NNG15SD73B)** Small Business, for server support devices and/or multi-functional devices, and **Group D (NNG15SE04B)** Full and Open, for networking, security, and advanced video and conference tools.

The Government-Wide Acquisition Contract (GWAC) is a ten-year Indefinite Delivery Indefinite Quantity (IDIQ) contract with a five-year base period and a five-year option to extend. The contract value has a maximum ceiling of \$20 billion. SEWP V is designed to offer state-of-the-art IT products and services to NASA, all U.S. Federal agencies, and their authorized contractors.

“DSI is honored to be awarded SEWP V by NASA in Group C for Small Business and Group D, Full and Open,” said Atul Bhatia, DSI President and CEO. “Our entire Cisco and HP certified teams look forward to supporting NASA, Federal agencies, and their government contractors to provide and implement IT solutions to positively impact services and ensure success in mission objectives.”

**About DISYS Solutions Inc. (DSI):** DSI is a Cisco Gold Partner and certified Small, Minority Owned business with locations nationwide. We are a leading provider of IT solutions for federal agencies, State & Local Government and Education (SLED) entities, and commercial companies.
