CRN Recognizes DSI Tech on Solution Provider 500 List

06/24/22 Ashburn, VA: DSI Tech is celebrating another win with the Channel Company's "CRN Solution Provider 500" award for the top VARs, service providers, integrators, and IT consultants in the U.S., by services revenue. DSI Tech ranks at number 129 in the country and plans on climbing up the ranking for years to come.

CRN®, a brand of The Channel Company, has named DSI Tech to its 2022 Solution Provider 500 list

In 2020 and 2021, DSI Tech made the list for "Tech Elite 250". This award is comprised of different solution providers in the U.S. having the highest level and most certifications from Cisco, Dell, HPE, VMware, and Amazon. DSI Tech is a Cisco Gold Partner and HPE Silver Partner, leading the company into the rankings for two years straight.

"DSI Tech is honored to be among industry leaders and to earn this recognition on CRN's 500 top Solution Providers. Congratulations to the DSI Tech team!" said Alan Bechara, Executive Vice President at DSI Tech. "Being ranked on this list showcases our commitment to cultivating our channel relationships and summits the dedication we have to helping our customers improve their sales and services with us through world-leading software and solutions."

DSI Tech is a top software and solution provider in the IT industry. We partner with companies such as Sierra Wireless, Microsoft, Aruba, VMware, APC, and our largest: Cisco. Our goal is to deliver the best IT practices to our customers and create long-lasting relationships that make an impact, leading to great success stories.
