DSI Tech Recognized on CRN Managed Service Provider List

03/09/23 Ashburn, VA: DSI Tech is proud to be recognized on CRN’s “Managed Service Provider 500” list! This list recognizes the “top technology providers and consultants whose forward-thinking approach to providing managed services is changing the landscape of the IT channel”. Additionally, DSI Tech made the Elite 150 on that list (top 150 companies) due to our “extensive managed services portfolio, including on-premises and off-premises capabilities, weighted toward midmarket and enterprise customers”.

“The DSI Tech team works very hard to provide the best services for customers through a wide range of offerings in our Network Operations Center and Security Operations Center,” said Alan Bechara, Executive Vice President. “We’re honored to be recognized as a top service provider by CRN and we’ll continue to grow and adapt to our customers’ needs”.

DSI Tech is a top solution and service provider in the IT industry. We partner with companies such as Aruba, HPE, Microsoft, NetApp, Palo Alto Networks, VMware, and our largest: Cisco. Our goal is to deliver the best IT solutions and services to our customers and create long-lasting relationships that make an impact, leading to great success stories.

DSI Tech made the “Solution Provider 500” list in 2022 and the “Tech Elite 250” list in 2020 & 2021, making this the fourth year in a row to earn an award. The CRN 2023 Managed Service Provider list is available at crn.com/rankings-and-lists/msp2023.htm.

About CRN: CRN is a media brand of The Channel Company and a trusted source for IT channel news, analysis, and insight. The CRN editorial staff provides objective reporting on technology and channel news, events, and trends, empowering solution providers such as systems integrators, value-added resellers, managed service providers (MSPs), strategic service providers, and IT consultants to maintain a competitive advantage and deliver the business outcomes their customers need.

About DSI Tech: DSI Tech provides complete IT solutions & services that are secure, innovative, energy efficient, and cost effective. Our customers include State & Local Government and Education (SLED), Federal agencies, and commercial companies. We hold nationwide contracts that are supported by a team of industry professionals and certified engineers. We put the customer first and understand the importance of providing a valuable experience from start to finish. Our knowledge of current and emerging technologies is the foundation for providing solutions and services that increase productivity and create positive workflow for our customers. We are a Minority-Owned Small Business founded in 1991 and headquartered in Virginia with offices nationwide. Learn more at dsitech.com.
