WITH **DSI TECH** ENGINEERS

In This Issue:

New Company Name • Tech Updates • May 3rd Event • Join the DSI Tech Team

We have a new name!

Introducing our new company name: DSI Tech! While our legal name will still be DISYS Solutions Inc., we will be doing business as DSI Tech.

We've been transitioning to this new name for the past few years, starting with our website dsitech.com. We updated our logo for the new name while keeping a familiar and recognizable look. We're excited to continue providing the very best solutions and services for our customers!

Tech Updates

Cisco Security Reference Architecture provides an overview of the Cisco Secure portfolio, commonly deployed use cases, and their purpose within an integrated architecture. Read more about it here.

The Cybersecurity & infrastructure Security Agency provides guidance on critical infrastructure sectors whose assets, systems, and networks are considered so vital that their incapacitation or destruction would have a debilitating effect on security. Read more about it here.

The wait is over for the Secure Firewall 3100 series! Whether you're a new Secure Firewall customer or a seasoned Firepower aficionado, Cisco has got your back with their unstoppable software innovation for years to come – maximizing the life of your previous hardware investment and keeping your business protected all at once. Read more about it here.

COLLABORATION CHAT SERIES:

Unified Communications

[Tuesday, May 3, 1:00-1:30PM ET]

CLICK HERE TO REGISTER

In this third session of the event series, we'll take a look at Unified Communications for voice, video, data, and mobile applications.

Identify current challenges, learn about products, and see how you can get started (or improve your current setup!).

This chat includes a Q&A panel session and interactive games with gift card prizes for the winners! Download the Slido app on Apple or Google to get ready for some fun! *Note: You can attend one or all sessions of this series; they are standalone topics and content.*

Count me in!

As a thank you for joining us, please enjoy a **free lunch delivery** for the event (first 10 orders)!

Place your meal order by May 2nd, receive your delivery just before the event begins on May 3rd, and then attend the event and have lunch with us while you learn about unified communications!

Open Positions

Join the DSI Tech Team
