## **Alan Bechara Promoted to Executive Vice President**

**03/26/19 Ashburn, VA:** DISYS Solutions Inc. (DSI) is proud to announce the promotion of Alan Bechara from Senior Vice President of Sales & Marketing to Executive Vice President. Mr. Bechara is responsible for overseeing the strategic planning, coordination, and execution of DSI business goals. He also manages the continued development and growth of the sales and marketing teams to achieve objectives and generate new business.

“DSI prides itself on finding the right people, like Mr. Bechara, to support and grow the company,” said Atul Bhatia, DSI President & CEO. “His promotion represents the importance of strong leadership and we look forward to his continued contributions to DSI’s success.”

Mr. Bechara joined DSI in April of 2016, bringing to the position over 20 years of management and industry experience. As Senior Vice President of Sales & Marketing, Mr. Bechara was leading the Federal, State & Local Government and Education (SLED), and Commercial Sales teams in addition to the Marketing department. During that time, DSI sales revenues more than doubled.

“Mr. Bechara has shown outstanding leadership over these past three years and is a positive force among employees and clients,” said Bhatia. “He motivates his team and encourages them to exceed goals and provide the highest level of customer service. Mr. Bechara sets a great example for everyone and we are proud to have him at DSI.”

**About DSI:** DSI provides complete IT solutions and services that are secure, innovative, energy efficient, and cost effective. Our customers include State & Local Government and Education (SLED), Federal agencies, and commercial companies. We hold nationwide term contracts that are supported by a team of industry professionals and certified engineers. We put the customer first and understand the importance of providing a valuable experience from start to finish. Our knowledge of current and emerging technologies is the foundation for providing solutions and services that increase productivity and create positive workflow for our customers. DSI is headquartered in Ashburn, Virginia, with offices nationwide. We are a Minority-Owned Small Business founded in 1991 by the current owners. Learn more at [dsitech.com](http://dsitech.com).
