U.S. Department of Commerce Awards BPA Contract to DISYS Solutions Inc.

Ashburn, VA: The U.S. Department of Commerce awarded DISYS Solutions Inc. (DSI) a five-year contract (blanket purchase agreement) to provide Cisco Smart Net Maintenance and Support Services to the individual operating units of the Department of Commerce.

Cisco Smart Net is a total care service that helps reduce downtime with fast, expert technical support and flexible hardware coverage. It also offers integrated smart capabilities, providing current information about an agency's installed base, contracts, and security alerts to enhance the efficiency of support workflows.

"DSI is the ideal company to provide these services to the Department of Commerce because we understand their pain points and their overall need for increased efficiency," said Alan Bechara, Sr. Vice President of Sales & Marketing. "Cisco Smart Net services combined with our award-winning customer care provides a unique experience that helps these agencies solve their IT challenges."

DSI is a Cisco Gold Partner, Master Collaboration Partner, Master Security Partner, and the number one partner for revenue in the Mid-Atlantic region. In addition to the U.S. Department of Commerce, DSI has Federal contracts with the GSA (Schedule 70), NASA (SEWP V), NIH (NITAAC CIO-CS), and the U.S. Patent and Trademark Office.
