DSI Tech Recognized on CRN Solution Provider List

10/26/23 Ashburn, VA: DSI Tech is proud to be recognized on CRN’s “Solution Provider 500” list! This list recognizes the “top integrators, service providers, and IT consultants in North America by services revenue”. DSI Tech is 133rd on the list and plans to stay in the rankings for years to come.

“This list includes the industry’s top leaders and we’re honored to be among such great solution providers, and to earn this recognition,” said Alan Bechara, Executive Vice President at DSI Tech. “We always put the customer first and we do that by providing expert services from our team and the best solutions through quality vendor partnerships.”

DSI Tech made the “Managed Service Provider Elite 100” list earlier this year, the “Solution Provider 500” list in 2022, and the “Tech Elite 250” list in 2020 & 2021, making this the fourth year in a row to earn an award. The CRN 2023 Solution Provider 500 list is available at [CRN.com/SP-500](https://www.crn.com/SP-500).

About CRN: CRN is a media brand of The Channel Company and a trusted source for IT channel news, analysis, and insight. The CRN editorial staff provides objective reporting on technology and channel news, events, and trends, empowering solution providers such as systems integrators, value-added resellers, managed service providers (MSPs), strategic service providers, and IT consultants to maintain a competitive advantage and deliver the business outcomes their customers need.

About Us: DSI Tech provides complete IT solutions and services that are secure, innovative, energy efficient, and cost effective. Our customers include State & Local Government and Education (SLED), Federal agencies, and commercial companies. We hold nationwide term contracts that are supported by a team of industry professionals and certified engineers. We put the customer first and understand the importance of providing a valuable experience from start to finish. Our knowledge of current and emerging technologies is the foundation for providing solutions and services that increase productivity and create positive workflow for our customers. We are a Minority-Owned Small Business founded in 1991 and headquartered in Ashburn, Virginia with offices nationwide. Learn more at [dsitech.com](https://www.dsitech.com).
