DSI Tech Recognized on CRN's 2024 MSP 500 List

02/13/24 Ashburn, VA: CRN®, a brand of [The Channel Company](#), has named DSI Tech to its Managed Service Provider (MSP) 500 list in the Elite 150 category for 2024. The MSP 500 list compiled by CRN serves as a comprehensive guide to identifying and recognizing the top Managed Service Providers in North America, whose forward-thinking approach to providing managed services is changing the landscape of the IT channel. The MSP Elite 150 (top 150 companies on this list) have an extensive managed services portfolio, including on-premises and off-premises capabilities, weighted toward midmarket and enterprise customers.

"We're honored to be recognized as a top service provider by CRN for the second year in a row," said Alan Bechara, Executive Vice President. "Our goal is to always put the customer first by providing the best solutions and services, including a wide range of Managed Services offerings that help lower IT costs, increase productivity, and monitor security, which is more important now than ever."

The MSP 500 list aims to showcase and celebrate MSPs that are driving growth and innovation in the industry. These service providers not only enable businesses to harness complex technologies but also contribute to maintaining a strong focus on core business goals without stretching financial resources.

Jennifer Follett, VP of US Content and executive Editor CRN, The Channel Company, emphasized the significance of managed services for businesses at various scales, stating, "Managed services provide a route for businesses of all sizes to maintain efficiency and adaptability throughout their growth journey. The solution providers featured in our 2024 MSP 500 list are introducing cutting-edge managed services portfolios to the market, enabling their clients to achieve success by optimizing their IT budgets. This allows businesses to allocate resources strategically, concentrating on mission-critical tasks that drive future success."

DSI Tech made the MSP Elite 150 list in 2023, the Solution Provider 500 list in 2022 & 2023, and the Tech Elite 250 list in 2020 & 2021, making this the fifth year in a row to earn recognition. The 2024 MSP 500 list will be featured in the February issue of CRN and online at www.crn.com/msp500.
